

DETAILED PROGRAM OF THE PARALEL SESSIONS ПОДРОБНА ПРОГРАМА НА ПАРАЛЕЛНИТЕ СЕСИИ

THURSDAY, 17 MAY 2012
ЧЕТВЪРТЪК, 17 МАЙ 2012

16.30h PARALEL SESSIONS
16.30ч ПАРАЛЕЛНИ СЕСИИ

HALL A2 – ЗАЛА А2

SESSION STPE 1.1 – СЕСИЯ STPE 1.1

CHAIRMAN: **V. Kashuba and D. Bardarev**

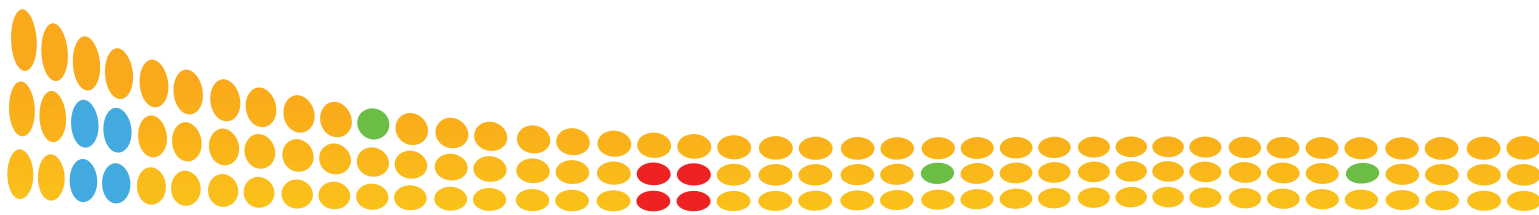

- Bulatova, M.** – Women, sport and democracy (Invited lecturer)
Zorba, E. – Sport for all and sport tourism in turkey (Invited lecturer)
Mineva, M., Sergiev, G. – Bulgarian experience in the methods for aerobic education
Doskarayev, B., Khaydarov, H. – Sport and world student games (universiade)-2017
Achkakanov, I. – Latest trends in the development of sport shooting with an air pistol in the republic of Bulgaria
Stoilov, I. – Poll research about the problems and perspectives of futsal in Bulgaria
Naumovski, A., Gontarev, S. – Comparison of latent motor dimensions congruence with boys and girls at the age of 12
Ivanova, A., Angelova, P., Boyadjiev, N. – Changes in the physical fitness indicies of women on a three-month specialized training and dietary program
Brestnichki, G. – Comparison the efficiency of two methods for development of basketball technical abilities at 10-11 years old girls
Koiic J., Toskić, D., Popović-Ilić, T., Petrovoć, L. – Contemporary life conditions and health of pre-school children in niš (Serbia)
Petrov, PK., Akhmedzyanov, E.R., Tatarskikh, I.A. – Multimedia training program according to the rules and refereeing of competitions on sports aerobics
Zsheliaskova-Koynova, Z., Varbanov, I. – Relationships between motivation, self-confidence, temperament characteristics, and sport performance in young handball players

HALL A3 – ЗАЛА А3

SESSION MED 1.1 – СЕСИЯ MED 1.1

CHAIRMAN: **G. Mateev and D. Dimitrova**

- Djarova, T., Bardarev, D., Dolapchiev, K., Boyanov, D., Jelyazkov, S., Petkov, N., Kaneva, R., Atanasov, P.** – Analysis of polygenic profiles of Bulgarian elite alpinists (Invited lecturer)
Mugandani, S., Ramakoaba, A., Watson, G., Cloete, J. Grace, J., Basson. A. , Djarova, T. – Actn3 (α -actinin-3) gene polymorphism and anthropometric characteristics in zulu rugby, soccer and cricket players
Kalinski, M., Morozov, V. – Exercise-induced leakage of skeletal and cardiac muscle proteins into blood
Morrison, E., Irving, R. ,Charlton, V., Davis, A. , Dilworth, L., Pitsiladis, Y. – The anatomy of athletic prowess: a jamaican perspective
Ivanov, A., Akimova, O., Bekembetova, R., Magenov, S. – Maximum physical performance and aerobic capacity of skiers in the first days of reacclimatization after training in condition middle mountain
Koryagina, U., Blinov, V. – Chronobiological features of adaptation to the various sports
Otsetov, M., Stambolieva, K. – Assessment of spontaneous body sway during static upright stance in archers

Gunina, L. – Succinic acid: its place among the pharmacological factors stimulating the physical workability of high-skilled sportsmen

Tasheva R., George M., Kutzeva E., Kolev K. – Variability of m. quadratus lumborum in rhythmic gymnastics

ALL A4 – ЗАЈА А4

SESSION SM 1.1 – СЕСИЈА SM 1.1

CHAIRMAN: K. Gilbert and Tz. Tzvetkov

Michuda, Y.P., Bubka, S.N., – The Olympic sponsorship in XXI the century

Tsenov, I. – Some problems in the development of physical education and sports in Bulgaria

Lubysheva, L. – Sports education: contents and technologies of realization in Russian comprehensive schools

Gevrenova, M. – The legacy of the first lecturers teaching History of Physical Culture

Gyaurski, M. – The adaptation of sport by Bulgarian socialism

Kuznetsova, Z., A. Kuznetsov – Historical and cultural significance of the Universidad sport legacy for student sport development

Bakalova, S. – Prerequisites and founding of the Bulgarian Wrestling Federation

FRIDAY, 18 MAY 2012

ПЕТЪК, 18 МАЙ 2012

11.30h PARALEL SESSIONS

11.30ч ПАРАЛЕЛНИ СЕСИИ

HALL A2 - ЗАЈА А2

SESSION STPE 1.2 – СЕСИЈА STPE 1.2

CHAIRMAN: Sr. Stoykov and H. Babayan

Bošnjak, G., Tešanović, G. – Title: the relations of morphologic characteristics with efficiency in result in the javelin throw in high school teenagers

Iancheva, T. – Self-confidence and coaching efficacy expectations

Dimitrova, L. – Stages and levels in the evolution of chess ideas

Galan, Y. – Olympic education in pre-school educational institutions of Ukraine: the way of realization

Stavrev, S., Tsvetkov, V. – Interrelation between moral-will qualities and ways of thinking, with male and female students, practicing basketball in educational groups in the university of national and world economy

Tsvetkov, V., Stavrev, S. – Influence of temperament on thinking, with male and female students, practicing basketball in educational groups, in the University of National and World Economy – Sofia

Peneva, B., Nikolova, M. – Giving a new meaning to the health tasks of school physical education at the beginning of xxi century

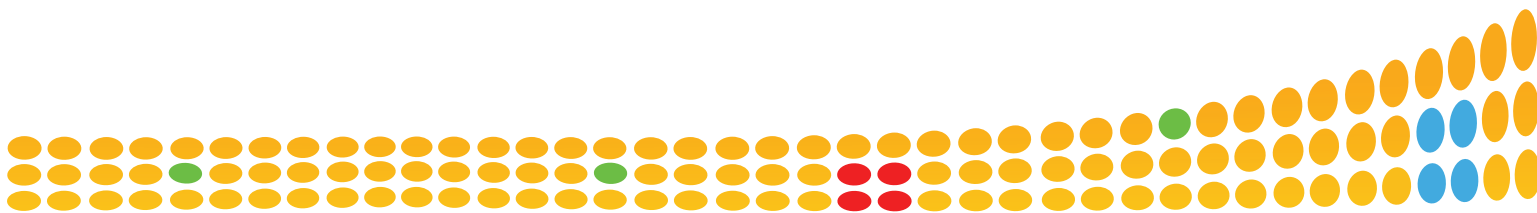

Marchibayeva, U., Kulanova, K. – Information technology in education credit system for physical training in high school

HALL A3 - ЗАЈА А3

SESSION MED 1.2 – СЕСИЈА MED 1.2

CHAIRMAN: T. Djarova and M. Kalinski

Pavlik, G. – Influencing factors on the athlete's heart: types of sports, age, gender, performance level
(Invited lecturer)

- Pavlova, E., Uzunova, G.** – A comparison of submaximal cycle ergometer and step tests for predicting vo2max in soccer players
- Somlev, P.** – Influence of active clinostatic test on spectral indices of heart rate variability in trained and untrained subjects
- Stefanov, T., Vekova, A., Bonova, I., Tzvetkov, S., Kurktschiev, D., Temelkova-Kurktschiev, T., Blüher, M.** – Effect of a distant vs. supervised 6-month exercise intervention on various cardio metabolic risk factors
- Lysenko, O.** – The features of functional capabilities of elite basketball players of different specialization
- Andrreva, L. Stefanova, D., Petrov, L., Zaekov, N., Voiskova, N., Djarova, T., Atanasov, P., Dimitrov, I.** – Blood lactate concentration after aerobic and anaerobic performance testing of female soccer players
- Taibolina, L.** – Effect of competitive activity in preparatory period on the state of electrical heart activity in high skilled sportsmen
- Baloban, V.** – System stabilography – methodology and method of measurement, analysis and evaluation of staticodynamic stability of an athlete's body and a system of bodies
- Sedlacek, J., Zvonar, M., Pistlova, L.** – Influence of attitudes towards movement activities performance on physical fitness if university students

HALL A4 – ЗАЈА А4

SESSION PSY 1.1 – СЕСИЈА PSY 1.1

CHAIRMEN: T. Iancheva and B. Antala

- Arakelyan, V., Babayan, H.** – Pierre de Coubertin's psycho pedagogical views and their applied values
- Videv, E., Petrov, L.** – Physiological and behavior reactions in stuntmen performing an unknown task at moderate risk
- Juhas, I., Bacanac, L., Kozoderovic, J.** – Competitive state anxiety and success in orienteering
- Domuschieva-Rogleva G.D.** – Determinants of preferred strategies for coping with stress for athletes with various achievements
- Kolosov, A., Voitenko, S.** – Cognitive resource of athlete's resistance to stress
- Andruchshishin, I.** – Comparative analysis of (for) young and adult sportsmen's personal characteristics in some kinds of sports
- Yonkova, R.** – The game as a motivation technique in teaching foreign languages to sports students. Interactive competitive game
- Slavova, V., Mileva, E.** – The sports students' attitudes to e-learning applications in foreign language teaching
- Doncheva, L.** – Validation of the Bulgarian Version of the Attitude/Motivation Test Battery

SATURDAY, 19 MAY 2012

СЪБОТА, 19 МАЙ 2012

09.00h PARALEL SESSIONS

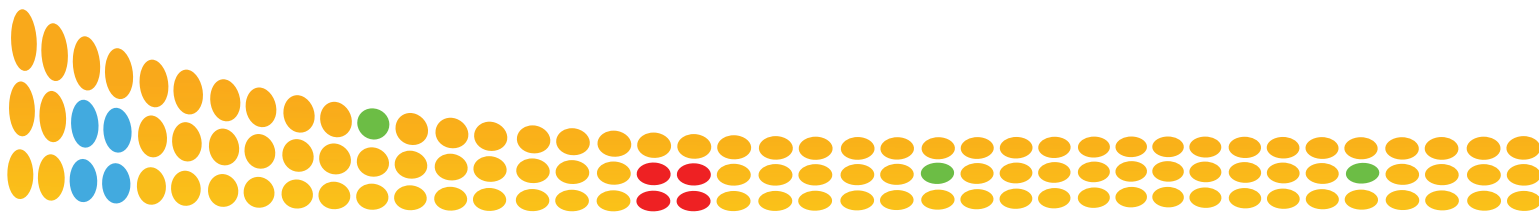

09.00ч ПАРАЛЕЛНА СЕСИЈА

HALL A2 - ЗАЈА А2

SESSION STPE 1.3 – СЕСИЈА STPE 1.3

CHAIRMEN: V. Boloban and V. Garkov

- Shynkaruk, O.** – Rationale age borders of the zone of the first successes in different kinds of sport
- Boyanov, V., Kapandzhiev, I.** – Monitoring, evaluation and optimization of the results of power lifting competitors

- Gateva, M.** – Investigations in rhythmic gymnastics 2000-2012 literature review
- Gancheva, G.** – Movement-to-music training in rhythmic gymnastics for 12-14 year old gymnasts
- Gospodarski, N., Hristov, R.** – The Connection between Mechanical and functional Indicators in Rowing
- Avramov, D.** – Creating a system for difficulty evaluation of taekwondo kicks
- Simeonova, V., Pavlov, V.** – Upper limb strength development of 15 year-old boys by specialized athletics exercises
- Hristova, V., Lazarova, M.** – Contemporary STRUCTURAL of equipment in volleyball team

HALL A3 – ЗАЛА А3

SESSION MED 1.3 – СЕСИЯ МЕД 1.3

CHARMAN: Z. Stefanov and G. Pavlik

- Shakhlina, L.** – Structural and functional state of bone tissue highly qualifications female athletes who specialize in artistic gymnastics (invited lecturer)
- Gotova, Z.** – Treatment and prevention of injuries in the lumbar spine in elite gymnasts
- Nikolov, N., Stanchev, N., Makaveev, R.** – Study of sport injuries in athletes in greco-roman wrestling
- Dimotrova, E.** – Physiotherapy of medial epicondylitis of the elbow in athletes
- Popov, N., Michailova, N.** – Therapeutic exercises for development of dynamic stability after elbow dyslokalation
- Logothetis, G., Matsaridis, A., Sakki, K.** – How can the hydrotherapy help people with osteoarthritis
- Mihailova, N., Popov, N.** – Therapeutic exercises for treatment of shoulder pain and instability related shoulder impingement

HALL A4 – ЗАЛА А4

SESSION SM 1.2 – СЕСИЯ SM 1.2

CHAIRMAN: M. Bulatova and B. Tzolov

- Dimitrov, G.** – Human resources management in sports entertainment business and its role for overcoming the stress by means of the sport
- Salikzhanov, R., Eskaliev, M., Gabdulov, I.** – Features of a policy of the developed countries in the area of sports and physical education at the present stage
- Panayotov, V.** – Peculiarities of the rankings in the professional bodybuilding contests held between 1980 and 2010
- Erol, M., Gavrilov, V., Coşan, F., Kirandi, Ö., Kepoğlu, A., Koç, S., Atmca, Ö.** – Analysis of futsal activities in turkey in accordance with the approach of the futsal players
- Barieva, L.** – Volunteers' Programs for Major Sport Events
- Ayan, N., Bağır, S., Altintiğ, A.** – Police Officers' Preferred Sports as Leisure Time Activities
- Sedlacek, J., Zvonar, M., Pistlova, L.** – Influence of attitudes towards movement activities performance on physical fitness if university students
- Treskin, A., Melnikov, V.** – Historical aspects of occurrence of the olympic winter games

DETAILED PROGRAM OF THE POSTER SESSIONS ПОДРОБНА ПРОГРАМА НА ПОСТЕРНИТЕ СЕСИИ

POSTER SESSION – ПОСТЕРНА СЕСИЯ

MEDICAL AND BIOLOGICAL ASPECT OF SPORT

FRIDAY, 18 MAY 2012 – ПЕТЪК, 18 МАЙ 2012

14:30, Sports hall, Спортна зала

CHAIRMAN: **S. Iantcheva**

1. **Gencheva, N.** – Opportunities to use therapeutic riding in children with incorrect posture and spinal deformities
2. **Kasnakova, P., Krushkova, P., Kostov, S., Slavcheva, N.** – Importance of sports and aerobic exercise for prevention of obesity among children and adolescents
3. **Krushkova, P., Kasnakova, P.** – The role of sports and physical activity in the complex therapy for diabetes treatment
4. **Pavlova, G., Vakrilova-Becheva, M.** – The effect of sports on elderly people – motivation for delaying the ageing processes
5. **Ahmad Badri Hussein, Najla Abbas** – Organized formal strategy and in accordance with the rule and its impact on brain development of skill in the of receiving the game of volleyball
6. **Gikova, M., Jochkova, V.** – Comparative analysis of adapted physical activity programs in adults with functional disorders
7. **Tzvetkov, S.** – Main anthropometric and functional characteristics registered in adolescent basketball players
8. **Tzvetkov, S.** – Applicability of maximal lactate concentration for assessment of the objectivity of maximal exercise testing
9. **Popova-Dobрева, D.** – Prevalence of symptoms of dysfunction of lower urinary tract among athletes
10. **Zhumanova A.S.** – The features of physical development of young sportswomen in rhythmic gymnastics
11. **Koshelskaya, E.V., Kapilevitch, L.V. Andreev, V.I.** – Improvement of volleyball attack hit accuracy using computer-aided biofeedback-based stabilographic training
12. **Koshelskaya, E.V., Buravel, O.I., Kapilevitch, L.V.** – Physiological features of movement skills in female football
13. **Ivanov, A., Makogonov, A., Sukhov, S.** – Effect of training in middle mountain term at the physical performance and aerobic capacity of skaters specializing on short track
14. **Shepelev A. E.** – Correlations of Somatometric Parameters Bodies and Indices of Physical Development of Students Sumy Region
15. **Gorodnichev, R., Pivovarova, E., Pukhov, A.** – Mechanisms muscle contractions regulation in humans
16. **Musaev, A., Lesbekova, R., Madenov, N., Nurgozhina, E., Eszhan, B.** – Features of neuromotor mechanisms of regulation of motor function in athletes engaged in Greco-Roman wrestling
17. **Dimitrova, D., Ljudmilova, I.** – Comparison of physical fitness between students with auditory and visual impairments
18. **Turlanov, K., Musaev, A., Nurmakova, M., Untaev, H., Vodnev, V., Balkanai, G., Tastanov, A.** – Adaptive changes of the functional state of cardio in athletes engaged in muscular work speed-power character
19. **Sazdova, L.** – Physical activity after hip or knee arthroplasty

20. Yantcheva, S., Kraydjikova, L. – Physiotherapy lifelong learning
21. Mavrudiev, S. – Impact of computer technologies on modern man's health
22. Ilinova, B. – Aerobic and maximal ergometric capacity of female combat sports competitors
23. Kraydjikova, L., Andonova, T., Matzuridis, A., Matzuridis, A., Nikolovska, L. – Adaptive physical activity and sport in 15-years old students with thoracic deformation
24. Kraydjikova, L., Andonova, T., Constantinou, A., Matzuridis, A., Matzuridis, A. – Motor program for prevention of recurrent back pain in athletes
25. Miloshova, E. – Limb asymmetry of bulgarian male and female fencers
26. Rankov, K., Mihajlov, V., Nikolova, M. – Sleep parameters in athletes
27. Nikolova, M., Rankov, K., Shopov, A., Dasheva, D. – Some sleep characteristics during the alpine trekking
28. Angelcheva M., Dimitrova D., Ljudmilova I., Stefanova D. – Growth status of bulgarian children, deprived of parental care
29. Guteva, H – Research of the sports traumas and microtraumas of football referees
30. Ali Khaleel Mohammed – Effects on cardiac risk factors for patients with angina
31. Markovska, G., Stoyanov, K. – Postural abnormalities in active sports children in three kind of sports – rhythmic gymnastics, artistic gymnastics and climbing
32. Grueva, T. – The role of the functional exercises after anterior cruciate ligament reconstruction
33. Tasheva, R., Kolev, K., Kutseva, E., Mitrev, G. – Approbation of the matthiaß test
34. Ljudmilova, I., Dimitrova, D. – Motor fitness of young people with hearing disability and different level of physical activity
35. Palić, R., Živanović, N., Stanković, V., Ćirić, M., Andrašić, S. – Effects of speed endurance test on the levels of iron and ferritin in handball players
36. Kisieliene, A., Jankauskiene, R. – The expression of self-esteem, aggression, tobacco and alcohol consumption by adolescent male and female judo athletes and their relationship with gender and sport activities
37. Bulotiene, D., Slizauskiene, L., Alekrinskis, A. – Age peculiarities of the best lithuanian shooters
38. Uzunova, G., Pavlova, E. – PWC170 estimation from two loads and one load in step test
39. Logothetis, G., Matsaridis, A., Terzoglou, M. – Evaluation of aerobic capacity in hydroergometer
40. Dimova, A.L. – The study of computer science – the study of health in the educational establishment

POSTER SESSION – ПОСТЕРНА СЕСИЈА

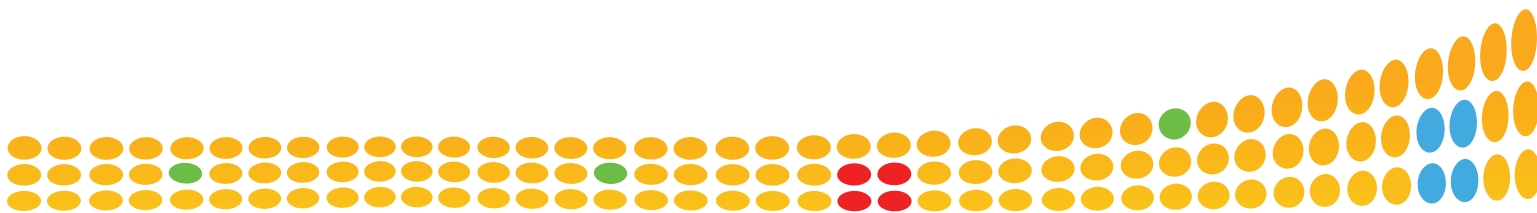

PSYCHOLOGICAL ASPECTS OF SPORTS

FRIDAY, 18 MAY 2012 – ПЕТЪК, 18 МАЙ 2012

14:30, Sports hall, Спортна зала

CHAIRMAN: E. Mileva

41. Fatimah Abed Malih, Abeer Dakhil Al-Salmi – Impact of taking proteins during the training on liver function and the development of the accuracy of rectal transmission in tennis players
42. Sarmad Ahmed Mousa, Mohamed Mulla Ali – The feeling of the distance and time valuation and its relation with the accuracy of passing the ball and shooting in football
43. Ahmad Badri Hussein, Najla Abbas Nassif – Sense of self and its relationship to cognitive style endurance and intolerance of ambiguity Undergraduate Students
44. Zainab, A., Zidane, N. – Compared to Estimate the physical Self-Concept, Physical Players between the Basketball and Volleyball
45. Kazmiruk, A., Prytulyak-Kazmiruk, Y. – Peculiarities of highly qualified nordic combined skiers motivational component constituents display

46. **Malinauskas, R., Brusokas, A.** – Sport-specific efficacy of young basketball players
47. **Avsiyevich, V.** – Effect of powerlifting activity on development of boys' motor ability
48. **Matsaridis, A., Logothetis, G.** – The psychological benefits that derive from the practice of hapkido & pilates. a comparison
49. **Bahchevanski, S.** – Influence of the need of security on initial training in sailing
50. **Toscheva, I., Georgiev, M., Fenerova, D.** – Interdependence between burnout and sports satisfaction with elite athletes
51. **Tseneva, E.** – Differentiation–specificity of the relationship man-personality
52. **Tseneva, E., Zahariiev, P.** – The position of the higher education within the value system of the students from the high stage of the secondary education
53. **Asenov, A., Georgiev, M.** – Comparative analysis of pre-competitive anxiety with taekwondo athletes – ITF – WTF
54. **Andonova, T., Kraydjikova, L., Peeva, P., Nikolovska, L.** – The effect of massage on psychic functional state in female athletes
55. **Andonova, T., Kraydjikova, L., Peeva, P., Nikolovska, L.** – Massage methods for psychoemotional recovery in female athletes
56. **Yancheva, M., Domuschieva-Rogleva, G.D.** – Strategies for coping with stress for judo competitors
57. **Zsheliaskova-Koynova, Z., Chervenкова, L.** – Effects of Paneurhythmy learning on Personality Characteristics of Practitioners
58. **Mohamed Mabrouk Abu Maid** – Sofia pilot program proposal for the development of self-concept when primary pupils (9-12)
59. **Mabrouk Mohamed Aboamaid, Lila Aboushkiwa** – Psychological adjustment among Female College of Physical Education and Sport at the University of Tripoli and its relationship to the level of economic success and appreciation
60. **Idrisova, B. M., Kulanova, K.K.** – Psychological aspects of self-regulation and relaxing of individuals, dealing with fitness
61. **Angelova-Barbolova, N., Stefanova, T., Janev, S.** – Program on healthy lifestyle for patients with schizophrenia
62. **Gencheva, N., Mutafova-Zaberska, J.** – Personal characteristics of kinesitherapy students from two universities – national sports academy and ruse university

POSTER SESSION – ПОСТЕРНА СЕСИЈА

SPORTS MANAGEMENT AND SOCIAL ASPECTS OF SPORT

FRIDAY, 18 MAY 2012 – ПЕТЪК, 18 МАЈ 2012

14:30, Sports hall, Спортна зала

CHAIRMAN: I. Sandanski

63. **Djobova, S., Naidenov, B., Dasheva, D., Bankov, P.** – Human Resource Development for Volunteers in Sport
64. **Mileva, E., Nicolaou, Y.** – European tendencies in the System of School physical education in Cyprus
65. **Bubka S.N., Michuda Y.P.** – Olympic sports in XXI century: contradictions of social and economic essence
66. **Seyranov, S.** – Physical education and sports as a sector of national economy
67. **Grigorov, B.** – Study metrorhythmics in performances of masquerade folklore groups in Bulgaria
68. **Atanasova, N., Topalska, M.** – Project for building a sport facility for biathlon and shooting

69. Antonov, A., Gutev, G. – Dynamics in development of the field hockey rules
70. Goranova, Z., Nikolova, M., Delizisis, I., Alexandrov, V. – Adapted physical activity in the regime of day-care centre for children with disabilities as a resort of socialization
71. Kuleva, M. – Study of conditions for use the rope access and training of workers in this method in Bulgaria
72. Toumpanis, I., Dimitrieska, J. – The contribution of video referral system of objectifying the current hockey umpiring
73. Gatatullin, A., Smaliakou, D. – The analysis of potential resources of sport marketing in belarus
74. Nikolova, M., Treneva, V., Goranova, Z., Aleksandrova, V. – Complex methodology for adapted learning of swimming and kayaking for children with intellectual disabilities
75. Atanasov E., Atanasova, N. – Management of the commercial tournament UEFA EUROPA league (following the example of pfc “Levski Sofia, season 2010/2011)
76. Otcheva, G., Tsvetkova, V., Sabrioglu, S. – Analysis the results of a survey with participants in the PROJECT “primary education in table tennis” by Table tennis club “NSA” to MPES
77. Otcheva, G., Tsvetkova, V., Sabrioglu, S. – Analysis of some aspects of the organization and management of international youth football tournament “Yulian Manzarov”
78. Slavchev, I. – Track and Field Competitions and Their Place in the Event Management Theory
79. Chausheva, R. – The media role in sport system development
80. Naidenov, B. – Expert survey method: an alternative for optimizing management and development of sport
81. Radulov, R. – Paneurhythmy as anti-stress practice for improving public health, physiological and psycho-emotional impact on the individual and society – marketing research
82. Bulotiene, D., Alekrinskis, A., Slizauskiene, L. – Loyalty of the employees of sports organizations
83. Tsvetkov, Ts., Slavchev, I. – Contemporary means of business communication
84. Melnikova, N., Zaytsev, K. The participation of UK athletes in Olympic Games in the end of XX – on the dawn of XXI century
85. Georgiev, N. – Impact of information technology in the field of physical education and sport
86. Gatatullin, A., Smaliakou, D. – The analysis of potential resources of sport marketing in Belarus
87. Michalev, V., Aikin, V., Suchatchev, E. – Management optimization in professional sports clubs through the introduction of modular automated information systems
88. Koleva-Ivanova, D., Doncheva, L., Dasheva, D., Dimitrova, E. – Technical English in sport – creating a volleyball model

POSTER SESSION – ПОСТЕРНА СЕСИЈА

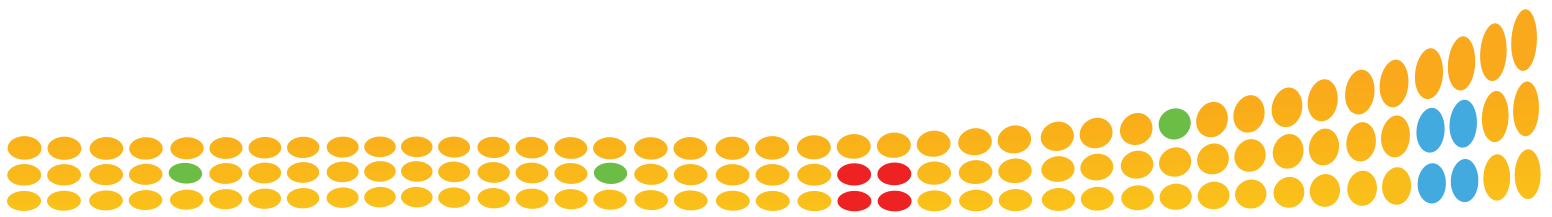

SPORT – TRAINING AND EDUCATION

SATURDAY, 19 MAY 2012 – СЪБОТА, 19 МАЈ 2012

10:30, Sports hall, Спортна зала

CHAIRMAN: U. Hartman, V. Garkov and I. Juhas

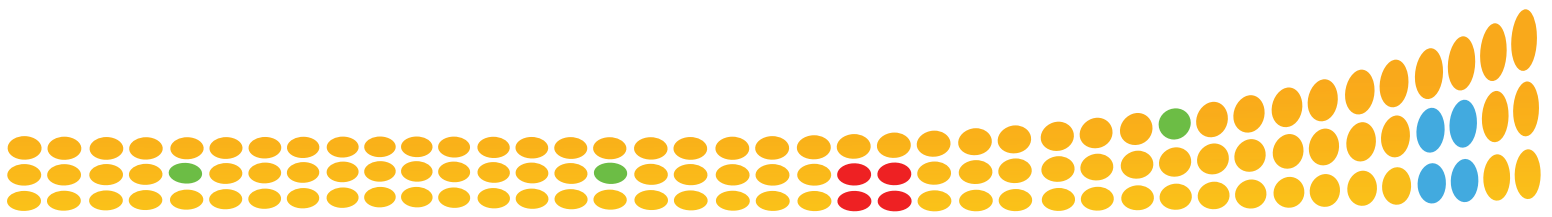

89. Dimov, I., Dimov, D. – Survey and analysis of the initial stroke of the world’s elite players in 2011
90. Dimov, I., Dimov, D. – Survey and analysis of the effectiveness of the initial return stroke – return of the leading players of the world’s elite
91. Vakrilova-Becheva, M., Gencheva, N., Belcheva, N., Bojkova, M., Popova, G. – Sport – human right of all individuals
92. Okičić, T., Jorgić, B., Madić, D., Dopsaj, M., Toskić, D., Thanopoulos, V., Ignjatović, B. – The influence of various types of non-swimmer training on the acquisition of knowledge of swimming

93. **Petrova, R., Vakrilova-Becheva, M., Katsarska, R., Kireva, D.** – Sport as a positive health strategy
94. **Bozhkova, M.** – The role of sports in the physical education of schoolchildren for spinal curvature prevention
95. **Petrov, P. K., Popova, A.I** – Remote training of students of high school on discipline «Physical culture»
96. **Liang, Z., Gantcheva, G., Liang, H.** – Investigation on physical fitness in rhythmic gymnastics girls aged 8 to 10 in Bulgaria and China
97. **Tishinov, O., Gikova, M., Zareva, I.** – Comparative analysis of the morphological features of gymnasts and sport dances athletes
98. **Gutev, G., Nyagin, P., Slavchev, I., Serbes, S.** – Competition rules influence on the competitive realization of the hurdlers in many years aspect
99. **Kashuba, V.A., Martyniuk, O.A.** – Correction of female students body spatial organization disorders in the process of physical education
100. **Djobova, S., Nikolova, E., Georgiev, N.** – Inclusion of children with disabilities in regular physical education classes – Bulgarian perspective
101. **Kanbash, A. H., Yaqoob, L. R** – A comparative study of the rest periods between repetitions to develop Bearing force to the upper and lower sides of judo players
102. **Doroshenko, E.Y.** – Methods of perfection in football players’ technical and tactical training in microcycles of the competition period
103. **Inoubli, Mokhtar, Ben Saeed, Nouredine, Sta, Mohamed** – Young football players and their sole arch indices
104. **Popova, S., Boyali, E., Vladeva, V.** – Comparative analysis of the physical fitness level of the bulgarian and turkish taekwondo national competitors wtf – men and women
105. **Popova, S.** – Control and management of training and competing of female sprinters according to their menstrual cycles
106. **Antala, B., Dančíková, V.** – The impact of coeducational physical education to the class climate at secondary schools
107. **Botagariyev, T., Kubiyeva, S., Otegenov, N., Gabdullin, A.** – The regional distinctive features of physical education at schools of the republic of Kazakhstan
108. **Bozhkova, A., Dyakova, G., Stavrev, S., Slavcheva, P., Lazarova, L.** – Qualities necessary for practicing the profession dental medicine physician
109. **Bozhkova, A., Dyakova, G.** – Comparative analysis of motor abilities of female students from various higher schools
110. **Simeonova, T., Damyanova, S.** – Model for a complex effect on motorics capability of preschool children
111. **Simeonova, T., Yordanova, N.** – Sports woodball – route to improve environmental health and culture of students from university of Shumen
112. **Sissenbayeva, A.** – Interrelation between the physical activity of the pupils during the general education subjects and formation of their healthy lifestyle
113. **Bozhilov, G.** – Premises of a quick attack over the central part of the net in the contemporary volleyball
114. **Kostov, Z.** – „Improving the technique of performing double reverse spin turn in waltz trough comparative kinematic analysis”
115. **Kurtovic, N.** – Individualization of the training process in the sports combat in karate
116. **Kurtovic, N.** – Analysing the Efficacy of Applied Techniques at Official European and World Karate Championships
117. **Tarnichkova, M., Dobrev, D.** – Planning of physical preparation in sports aerobics
118. **Andreev, P.** – Munich fitness test (mft) for school children 6-18 ages
119. **Stoyanova, N., Andonov, S., Izov, N.** – Alignment of Bulgarian lifeguard qualification levels, under the requirements of European qualification framework

120. **Pavol, B., Adamčák, Š., Nemeč, M.** – The reversibility of muscular system of children 9-10 years old
121. **Pavol, B., Adamčák, Š., Nemeč, M.** – The interests of pupils in physical and sports activities at basic schools
122. **Yanev, I., Kiuchukov, I.** – Research of similarity level of gymnastic exercises with counter-rotation, performed at different apparatus
123. **Antonova, V.** – The effectiveness of receiving the serving of the teams participants in the final phase of European league in volleyball – woman 2011
124. **Shishkov, M.** – A research on the number of hits in a rally of table tennis world elite until the winning or loss of a point
125. **Iliev, I.** – Comparison of conditioning abilities and technical skills between students practicing basketball during sports classes at the University of National and World Economy – Sofia and the University of Economics – Varna
126. **Iliev, I., Brestnichki, G.** – Correlation dependence of conditioning abilities and technical skills of students engaged in practicing basketball during sports classes in universities of economics
127. **Sedlacek, J., Jankovsky, P., Zvonar, M.** – General motor performance changes of male and female police academy students in Bratislava
128. **Andonov, H., Andonov, S.** – Models for prediction the stroke rate and the stroke distance in “Men’s eight” discipline
129. **Andonov, H., Gospodarski, N.** – Anthropometric profiles of Bulgarian national team-junior
130. **Dyakova, G., Bozhkova, A.** – Survey of potential risks, connected with motor activity
131. **Dyakova, G.** – Effect of body-programme on physical qualities and morpho-functional indices of female students
132. **Yarali, S.** – The acute effect of different static stretching protocols applied to folk dancers on stretching performance levels
133. **Ivanov, V.** – Analysis of the changes in the anthropometric indicators – height and weight of the top level tennis players
134. **Velcheva, D., Dimitrova, B.** – Programmed instruction as a method for optimizing sports training with apparatus rope in the age range of 10-12 years gymnasts
135. **Tankusheva, N.** – Kinematic model for vault „Tsukahara-piked”
136. **Yotov, I., Avramov, E., Avramova, M.** – Evaluation and optimization of the goalkeepers’ efficiency in handball
137. **Valev, Y.** – Visualized methodics for initial training in horse-back riding
138. **Mavrudieva, N., Riala, E., Mavrudiev, P.** – Physical development and ability of schoolgirls
139. **Petrova, M., Dimitrova, B.** – Velocity gradients
140. **Nesheva, I., Batoeva, A.** – A “Group individual” method in motor abilities training about speed and endurance
141. **Lazarova, M., Hristova, V.** – Presentation of Bulgarian volleyball team in the world league`2011
142. **Treneva, V.** – Contemporary tendencies in strength training of athletes in canoeing
143. **Aleksić, D., Mekić, B., Stanković, S., Lilić, L.** – The examination of the effects of the basketball teaching of physical education on speed of 9-10 years old boys
144. **Aleksić, D., Lilić, L., Mekić, B., Milenković, V.** – The examination of the effects of the basketball teaching of physical education on coordination of 3rd and 4th grade elementary school boys
145. **Lilić, L., Aleksić, D., Toskić, D., Stefanović, R.** – The specifics of motor abilities of football players in relation to the rank of competition
146. **Lilić, L., Aleksić, D., Stanković, S., Kocić, J., Delibašić, Z.** – Examination of effects of developmental gymnastics on flexibility of 3TH & 4TH grade girls of elementary schools
147. **Penov, R.** – Tests to determine the level of special physical training
148. **Stoykov, S., Stoykov, G., Zaharieva, Ts., Karapetrova, R.** – Modeling of the anthropometry of 11-12 years old tennis players

149. **Varbanov, I., Yanev, V.** – Sports intellect /SI/ in the tactical preparation for attack of handball players
150. **Kolev, I.** – Bike “Aquaspinning” and impact of it
151. **Kolev, I.** – Age features in the technique of Pedalling in cycling sports
152. **Hristov, R., Oronova, D.** – Study of the Trend of the Crew’s Movement and its Effect on the Boat Velocity Fluctuations at Elite Rowers
153. **Stanković, S., Mekić, B., Aleksić, D., Delibašić, Z.** – Sport and media
154. **Stanković, S., Mekić, B., Aleksić, D., Delibašić, Z.** – Analysis of influence of hand and shoulder flexibility on results in swimming backstroke and crawl techniques
155. **Petrov, V.** – Research of the changes in artistic gymnastics men’s code of points for the period 1979 - 2012
156. **Tzarova, R., Georgieva, P., Aleksieva, M.** – Study of the physical development and the specific workability of growing up basketball players
157. **Tzarov, K.** – Factor structure of the physical development and specific workability of the 14-15-year-old girls from the national basketball team of Bulgaria
